LED Channel Letter Sets & Logo/Boxes for Building and Store Front Identity

## LED Channel Letter Sets & Logo/Boxes for Building and Store Front Identity

DVT now offers a wide choice of Ultra Brite And Ultra Slim Channel Letter Sets and Logo/Boxes customized to suit your needs and desired look of store front or building.

When compared to traditional fluorescent or neon backlit channel lettering, LED Channel Letters are emerging as an alternative lighting source due to their brightness, lower cost in terms of energy efficiency and long life span of at least 100,000 hours.

**DVT LED Channel Letters are manufactured with Patented EZ LED Modules for the Highest Even Brightness and Lowest Power Consumption.**
