Ultra-Slim Snap-Frame Edge-Lit Light Box

DVT GROUP's Snap-Frame Edge-Lit Light Box is a high-tech product that is built upon the same technology as today's cell phones and LCD backlighting.

Our LED light boxes are Ultra Slim and Ultra Brite, uses very low power consumption, have an 8-12 year life cycle and are very easy to install with No Maintenance.

DVT only uses patented Cree or SSE Hi-Power LED chip and patented even-lit white acrylic for highest brightness, reliability and longevity.
